

Teachers' Domain is an online library of more than 1,000 free media resources from the best in public television. These classroom resources, featuring media from NOVA, Frontline, Design Squad, American Experience, and other public broadcasting and content partners are easy to use and correlate to state and national standards.

For teachers seeking additional support for Word Generation activities, this page provides links to Teacher Domain pages that are directly related to the weekly topics.

Year One Topics

Cloning: Threat or Opportunity? (Week 4)

- ▶ On Human Cloning

<http://www.teachersdomain.org/resource/tdc02.sci.life.cell.humcloning/>
